**II. The Audit of Forecast Performance**

The above data of forecast performance is only preliminary accounting data by the company's financial department which has not been audited by the accounting firm.

**III. The Main Reasons for the Change in Performance for This Period**

In the first half of 2024, the company's net profit attributable to shareholders of the company after deducting non-recurring profits and losses increases, mainly due to the following reasons: the company's business plan was carried out in an orderly manner; the company's main business income increased steadily in the first half of 2024 with the increase of marketing efforts; the improvement of

profitability of the company led to the corresponding increase in performance.

#### **IV. Other Related Explanatory**

The specific and accurate financial data of the first half of 2024 shall be subject to the 2024 semi-annual report officially disclosed by the Company. Investors are advised to make prudent decisions and pay attention to investment risks.

Notice is hereby given.
